## President's Message

It's the time of the year that all the meets are beginning to take place. Get those Falcons out and show them off. Let people know there is a Falcon Club. Tell them that they can get free information about the club by just dropping us a line.

I would like to welcome two new chapters to our club. They are the Wasatch Chapter based in Utah and the Land of Lincoln Chapter in Northern Illinois. If you live in one of those areas, be sure to help support these chapters by attending their meets. You can get the names and where to contact these chapters under the listing of Chapter on page 3.

The Regional Meet in St. Louis by The Gateway Chapter seems to be coming along very well. It sounds like it's going to be fun, with Falcons and an All-Ford day on Saturday. I hope I will see a lot of you there. I have been in touch with the Atlanta group and everything is shaping up there, too. About 90-100 cars already plan to attend, there's no telling how many might show up by August.

Also, the Lone Star Chapter is planning a fall meet in the Dallas, Texas area for late October. I believe we have some fun coming up.

See you in St. Louis!

Roy E. Sword, Pres. FCA

## Meet Reports

**The Gateway Chapter** met March 27, at the Bonanza Restaurant in St. Charles, MO. We had one visitor with a real nice 69 2-door Falcon. After an enjoyable meal a short business meeting was conducted by Pres. Rich Tribout. Some final planning was done for the Spring Fling II Regional Convention. This will be a very unique regional, as we will be able to enter our Falcons in the Falcon Club car show and also enter the All Ford Show with separate judging as there will be two numbers on the windshield indicating both shows. An entrant could possibly win a trophy at two shows in one day. Both shows are held on the same parking lot at the same time. There should also be a good number of vendors at the swap meet. Many tickets have already been sold for the Atlanta Braves vs. St. Louis Cardinals ballgame on Friday night.

**The Southeast Chapter's** March meeting was held at the home of Elizabeth and Gary Palmer. We planned activities for the next few months and finished working out the final details of the 9th Annual National Convention. So far, we have 82 Falcons from 27 states who have sent their forms in. In this issue the 1988 Entry Form is enclosed, please fill it out and send in to us as soon as possible. This will help us plan a better meet for you. In upcoming issues we will have articles on places to visit while in the Atlanta area. If there is anything we can do to help make your visit in Atlanta more enjoyable, please let us know.

**The Founder's Chapter** met at Western Sizzlin on Rodney Parham in Little Rock, Saturday night, February 20. There were 21 present. Several meets were announced that the group planned to attend, the next one being at Beebe, AR on March 27 to benefit the Diabetes Association. Also, several plan to attend the Regional in St. Louis in May. Next meeting will be March 19 in Benton, AR at Mr. K's Restaurant.

**The Founder's Chapter** met March 19 at Mr. K's Restaurant in Benton, with 23 present. Several plan to attend the meet at the Beebe Speedway on Sunday, March 27. Quite a few are also making plans to go to St. Charles, MO, May 13 & 14. The next meeting will be April 23, in Jacksonville.

**The Hoosier Chapter** met Feb. 9 at Denny's Restaurant in Indianapolis. There were 16 members present. We held election of officers with results of: Pres. Cliff Smith, Vice Pres. John Hovens, Sec./Treas. Jo Edna Bardonner. We would like to congratulate Eric and Robin Mays on the birth of their first child, a son born in January. Just a reminder that dues are due, please send them to Jo Edna so we can make a new roster for 1988. We have several new members.

**The Arizona Chapter** attended a car show sponsored by the Arizona Hobbyist Council on March 13. They had two Falcon divisions. First division winners were: first place, Chris Branch, 64 Futura Convertible; second place, Glen Harris, 63 Sprint Convertible; and third place, Pete Hoffman, 64 Convertible. Second division winners were: first place, Rich Hawkins, 64 Sprint; second place, Ron Bondie, 64 Sprint; and third place, Bill Branch, 62 Sport Futura.

**The Lone Star Chapter** held its March meeting. Officers were elected to serve until next March: president, Marty Martin; vice president, Dwayne Barber; and sec./treasurer, John D. Hewitt. Other items of discussion centered around the Regional Falcon meet we will host in the Dallas area in October. Plans are proceeding nicely, and we hope to finalize arrangements with a hotel facility within the next few weeks. Programs for the meet participants, as well as for spouses and children, are being planned. We welcome a new member, Tommie Martin, Marty's wife. Some of our members are planning to participate in other auto meets in Graham, TX, April 9-10, and in Pate, TX, April 30.

**The Mile Hi Chapter** met March 25 for a social evening consisting of potluck supper and white elephant Bingo... some of the white elephants being a few old Falcon parts, by the way! It was good to see some new faces attending and we look forward to meeting more of our new members as the summer progresses.

**The Mason Dixon Chapter** met on February 13, at the Old Barn Restaurant in Glasgow, DE. We had a total of 29 and had a great time eating excellent food and talking Falconese. We made plans for the year. Our first meet will be held in Bear, DE on April 30. In May we will be returning to Smith Ford in Denton, MD. In July we are going to Annapolis, MD for a picnic at the U.S. Naval Academy. As you can probably imagine, there is a lot of tourists at that time of year, so our cars will get a lot of visibility. Tours of the Academy, old town Annapolis, and of course, the picnic, are to be among the days activities. In October we are returning to Sandy Point State Park for our last official meet of the year. It will be a "pot-luck" picnic, plus a display of our cars. Many members have plans to attend the Nationals in Atlanta and some others are planning to join forces with the recently organized Eastern Pennsylvania Chapter and the Northeastern Chapter for the annual show at Macungie, PA on August 7 (The Awksfest). We discussed the possibility of buying chapter logo patches and possibly even belt buckles.

## TECHNICAL QUESTION

I recently parted out a 61 Station Wagon. It was a 170 c.i. with manual trans. It didn't have the leaf spring mount for the rear of the trans., and the crossmember went completely across the car from frame stub to frame stub. Also, the holes in the frame stubs had nuts mounted permanently in them.

I have dealt with about fifteen 60-64 Falcons and have never seen this arrangement before. I would almost bet money that it came from the factory this way because of the way it was in there. Does anyone know anything about this?

## Join Us On A Tour While You Are At The

### 1988 National Convention

The Southeast Chapter is working very hard to make the 9th Annual National Convention one of the best. On Friday, we will have a tour to Georgia's Stone Mountain Park. Stone Mountain Park is a 3200-acre world of recreation, entertainment, leisure and education, all located 16 miles east of Atlanta. It's an enduring monument to the confederacy carved on an unbelievable work of nature. It's a spectacular fantasy of laser lights dancing brightly on summer nights. It's a full day of relaxation and fun for your entire family.

A few of the activities at Stone Mountain are:

**Memorial Carving:** You can't miss the Memorial Carving on the largest exposed granite mountain in the world. The three equestrian figures, confederate President Jefferson Davis, General Robert E. Lee and General "Stonewall" Jackson measure 90 x 190 feet and took over fifty years to complete. The Memorial Carving is the largest high relief sculpture in the world and serves as an enduring, inspirational tribute.

**Ski lift:** Swiss-made cable cars take you for a breathtaking ride past the magnificent Memorial Carving to the mountain's summit. Rising over 825 feet above the surrounding plain, the top of the mountain offers guests a theatre, snack and gift shops, and fantastic views of downtown Atlanta and the North Georgia countryside.

**Scenic Railroad:** An authentic steam locomotive transports passengers on a sight-filled five-mile trip around the base of Stone Mountain. Early settlements, granite quarries, and unspoiled natural forests are just some of the vistas you'll enjoy by escaping to an earlier era when the steel highway united our country.

**Antebellum Plantation:** You will be fascinated by a typical southern plantation of the 1800's. Nineteen buildings, many moved from their original sites in Georgia, are authentically furnished and painstakingly appointed to duplicate an actual plantation. As you walk the grounds and visit the structures you'll catch a real glimpse of a bygone era.

**Antique Auto and Music Museum:** A unique collection of vintage automobiles and musical instruments awaits you at the Antique Auto and Music Museum. The museum features over forty restored automobiles, nickelodeons, and memorabilia which are sure to provide a fun, educational experience for the whole family.

**Paddlewheel Riverboat:** For sheer relaxation, nothing beats a leisurely cruise on an authentic paddlewheel riverboat. As you glide along our placid lakes—lulled by the gentle rhythm of the water—you'll see the mountain, carving and unspoiled woodlands from a unique point-of-view.

**Lasershow:** Dazzling, colorful laser beams projected onto the north face of the mountain are choreographed to popular music in this fifty minute, fantasy-filled production. Shown nightly, May through Labor Day and weekends through October, the lasershow is a family entertainment spectacular that has delighted millions.

### TECHNICAL HELP WANTED

Can the upper A frame be lowered on the 60 to 63 Falcon, the same way it is done on the 65 Falcon and Mustang? Richard M. Cartwright, Rt. 1 Box 300, Arlington, NE 68002. (402) 478-4346.

### Feature Falcon

I've owned my 63 Futura Convertible for about two years now with minor difficulty and many great miles of traveling about the west coast, from L.A. to Seattle. The car itself came off the assembly line and was registered as a new vehicle on November 5, 1962. This is significant to me because that was the *exact* day I was born! I didn't find out about the coincidence until after I purchased the car.

I'm also fortunate enough to be the second owner of this car, in which the original owner took great care (as do I) of it. Although it does have some very minor cosmetic problems (chips in paint, very small dent in grill), the car has never been restored and is completely original with *all* parts. Needless to say, I'm proud to be among the others that own or appreciate the Ford Falcon.

Sam Harmon, 8064 N.E. Couch, Portland, OR 97213.

**Editors' note:** Sam designed the front cover for this month's issue of *The Falcon News* (see his t-shirt ad below).

### T-shirts For Sale

I have reproduced my original t-shirt design (shown on this month's cover) on a quality cotton shirt. The price is \$15 (postage included). If you have a favorite piece of clothing (jacket, shirt, etc.), I could have the image printed directly on it for \$10 plus \$2 shipping.

Please send a SASE for additional information, or your check or money order made out to Sam Harmon, 8064 N.E. Couch, Portland, OR 97213 along with the size you prefer (S, M, L, XL Adult sizes).

### WANTED - A List of Falcon Parts Vendors

Could we get a list of vendors and addresses for those of us starting major projects? A listing in *The Falcon News* would be good for vendors, and also give club members an opportunity to compare prices and quality.

Vic Kirkendall, 8613 Timberwood Lane, Haughton, LA 71037.

**Editor's Note:** Thanks for the idea Vic. I talked this over with President Roy and he feels this would be a big help to members. Let's hear from all of you out there. Give us names, addresses and phone numbers of vendors dealing in Falcon related parts and their specialty. We will be glad to compile a list and publish it in *The Falcon News*.

### WANTED - A Spring Meet in New Jersey

I am interested in putting together a spring meet in the New Jersey area. If you are interested, please send a SASE to Sal Cosenza, 563 W. 9th Ave., Roselle, NJ 07203. Or call (201) 245-1995.

## Proposed New Chapter

Southeast Louisiana, Mississippi, South Alabama, Northwest Florida Areas

I am trying to start a chapter which could take in the above areas. If you are interested, send a SASE to Bonnie Stringer, 110 Nicholson Avenue, Long Beach, MS 39560 or call (601) 863-1795.

## 65 Hardtops and Convertible Roster

There's still time to put your 65 Hardtops and Convertibles in my roster. Deadline will be around July or August, when final compilation will be featured in *The Falcon News*.

Send entire data plate information, and if there has been any changes like a six to a V-8, 3 speed to 4 speed, etc. Include parts cars and if you'd like, send a photo of your pride and joy.

Mike McCarty, P.O. Box 1114, Red Bluff, CA 96080.

## Answer to Technical Question

**Question:** I have been trying to locate a source for replacement frame rails for 1964 and 1965 Falcon Convertibles. (George E. Elliott).

Dear Mr. Elliott,

I, like you, was unable to locate any replacement inner rocker panels for my 1965 Falcon Convertible. I cut out a sample cross section, took it to a local sheet metal fabricator (every city has one), and he made me a perfect fit, factory looking set for \$65 a side. Problem solved.

Robert Helmle, 3790 Shady Hollow Ln., Burlington, KY 41005.

## Member Solves Problem of Ranchero Cover

Dear Members,

Thanks for the great Falcon Club. Many members are very helpful in finding parts and cars. I have been driving Falcons since 1965. They are great cars. I own a 1964 Ranchero and really wanted a cover for the bed that will last. Canvas seems to stretch and wear-out. So believe it, a fiberglass cover is made by Protect-O-Top. It's great looking, locks and is easy to open because of the hinges in the rear.

If any club member is interested the address is: Protect-O-Top, 400 Bellomy St, Bldg. #28, Santa Clara, CA 95050. Phone (408) 244-8043. Thanks for this great club!

Sal Cosenza, 563 W. 9th Ave., Roselle, NJ 07203. (201) 245-1995.
